

EIZO Included the FTSE Blossom Japan Sector Relative Index for the Third Consecutive Year

Hakusan, Japan, July 17, 2024 – EIZO Corporation (TSE: 6737) today announced that the company has been included in the FTSE Blossom Japan Sector Relative Index for the third consecutive year.

The new FTSE Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies' climate governance and climate change efforts via the Transition Pathway Initiative's Management Quality Score.

EIZO's philosophy is: "Through the pursuit of imaging solutions with advanced technologies, we enrich people in their professional and personal lives." In accordance with its principles, EIZO continues to focus on ESG issues, including addressing climate change, respect for human rights and diversity, open and fair governance, and supply chain management as key materialities. It is these efforts which lead to the evaluation of EIZO's ESG practices and the company added to the index for the third consecutive year. EIZO will further accelerate these activities to pursue sustainable growth and enhance corporate value.
